

Hawthorn Primary School Autumn Newsletter 2023

Dear Parents, Guardian's and Carers,

Welcome back to the second half of the Autumn Term.

The Autumn term is always a busy one! As we return from our mid term break, Autumn has definitely arrived with its beautiful colours, chill wind and as always lots of rain! Our Foundation Learning focus this term is the outdoors, and we are very well resourced for this at Hawthorn Primary. We want children learning in and from the outdoors as much as possible, and therefore ask that every child comes to school ready for the weather, wearing appropriate coats and footwear. Younger children are encouraged to bring a set of wellie boots to school (in a bag & with name inside) so they can access the grassy areas whatever the weather.

Website update!
Our school website is now live and you can visit it at www.hawthornprimary.co.uk. The website is in it's early stages but will be regularly updated over the next few weeks and months. We will let you know via Dojo, as new items are added.

Congratulations to Mrs Cook on securing her exciting new teaching role. She will be leaving us at the end of November. I would like to take this opportunity to thank Mrs Cook for her skill, dedication and length of service to Hawthorn Primary. We wish her the very best for the future in her new school.

I would also like to congratulate Mrs Morgan on being successful in her new, substantive Deputy Head Teacher role in Cardiff. Mrs Morgan will be leaving Hawthorn Primary at the end of this term. We wish her the very best for the future in her new school.

Hawthorn Primary PTA

Last half term the children enjoyed their first PTA led Halloween Disco since the Pandemic. I thank everybody for their help in making it a success. Keep a look out in the school calendar for further events that will be coming up over the next half term up to Christmas. Please note that future discos will have a lower sound volume for our youngest pupils to enjoy.

Christmas Dinner day
Wednesday 13th December. A letter will go out today with further details and must be returned by 27.11.23

Ysgol Afon Wen is very quickly taking shape, and great for the children to see it grow. Our Building Ambassadors have been inside and are very impressed by it's size. As the project develops further over the year there will be opportunities for everyone to have a glimpse of the inside. Our School Senedd have been focussed on contributing ideas relating to the new school and have recently communicated feedback on the proposed school logo. We are very proud of their participation and maturity during our sessions in the High School each month.
